Mr S. A. DeBlow  
Mobile,  
Ala.

Dear Sir:-

I regret not as

planned, be able to attend the Convention in Tallahassee  
to am hoping my house moved down nearer to Beach  
and can not leave while the work is in progress  
& Commissioner C. M. Nelson assures me that as soon  
as the crops are "laid by" that the right of way on  
the one 1 1/2 miles to be leased will be cleared and  
Commissioner Henderson promises to build it when the  
work is done. It should be completed in the next 90  
days. Sorry I cannot meet you in Tallahassee  
as I had planned to do. With best wishes for a prosper-  
ous meeting resulting in stimulation all along the line  
I remain

Yours truly
