

SAN ANTONIO MEMBERSHIPS, 1920-1-2
(Statement Dec. 31, 1922)

This statement has been cross-checked several ways, but the records are loose and unbalanced.

1919 subscriptions were collected in November and December, 1919, and credited to 1920

1921 was the darkest of the financial depression, and flood year. and memberships were pleasantly waived that year; none pressed. No bills were rendered July 1st, as customary. Statements were ready for mailing when the flood came, then thrown in the scrap basket. Automobile men generally were waived in 1921
