Dear Mr. Ayres:

This will acknowledge receipt of your letter of recent date, and I wish to congratulate you upon the honors which have been conferred, in connection with your work on the Old Spanish Trail.

I greatly appreciate your writing to me at length and reviewing the many problems with which I was only partially acquainted. If ever I can serve you, please command me.

With my kindest regards, I am,

Yours very truly,

Tom H. Etheridge, Jr.
