Exc. pl. find some
"daps" on the H. Davis Convention,
also, everything is causing fine
except the valley & on ac of the floods
those people will not be able to
get a single car in the Carover
Houston & Galveston are working together
on the Convention for next year &
are going to send a good delegation,
the only thing that looks dice if might
interfere now is rain, it hasn't
rained for 2 weeks & don't look much
like it now, but Billy Hart, says July
will be an awfully wet month & has
scheduled his rains to come
on July 2nd, but I hope he is
a "bleen prophet" = Dolme turned

Kerrville is raising hers now, gules she
is good for 500 to 1000" good rains in (over)
