L. B. Daron,  
Gulfport, Miss.

My dear Mr. Daron:

Yours of the 10th received. It probably would be wise to order here on account of adjustments from time to time. But I do not owe these fellows a sou. So am ordering from you.

I want orthogon softlite, and understand your price is \$13.50 for the two lenses. Am sending my frame by this mail. Don't want the old lenses back.

Am enclosing Dr. Walthall's copy of prescription so<sup>A</sup> as to avoid all possibility of error, although I note you kept a copy.

Have your manufacturer be careful in making the glasses. I had comfort and service from your work in 1928. Let's take time to get comfort again. So, if you want to give any advice you may hold this up until you write me; otherwise go ahead.

Kindest regards.

Yours sincerely,

H. B. Ayres,  
Gunter Hotel.
