President Palmer Pillans,
Old Spanish Trail Association,
Mobile, Ala.

My dear Mr. Pillans:

I have another letter from Mr. Cooney, changing his date for the private meeting at LaSalle Hotel, from December 1st to December 8th, at 5:30 P.M.

I am giving publicity to the change in dates, and hope it will show that the OST Association is still "on the job".

I have been rushed, getting the Leon County exhibits off to the State Fair, and have not had any time for letters the past few days. I have received your several letters, and thank you for same. Mr. Clemens is a great jollifier? The "morale" of your assistant secretary needs reviving: it is discouraging to have so little live co-operation. But, I am sure that the Chicago meeting will do some good, and if there is anything that we will need to bring before the Florida Legislature, next April, let me know in time to post the legislators from our district: we can surely count upon the men elected from the twenty counties in the North Florida Chamber of Commerce territory, because that organization is doing a good deal for these hitherto neglected counties. I will always do all that I can for the trail--which does not seem to be much, just at this time. If I can raise the expenses, will try to go to Chicago; but it does not look very promising. It is also coming at a time when many will be in attendance on the Southern Commercial Congress, at Baltimore, Dec. 8th-12th. Enclosed find letters from President Williams. Please write him. Best regards. I am sending a carbon of this to Mr. LeBlanc.

Very truly,

(Mrs.) F. R. Phelps

Can you get them to install "Patrol" system along O.S.T.?
