9. The travel movement is already changing for travelers are learning they can head due south and find travel comforts and the benediction of a ~~sunny~~ sunny climate all winter.

bright sunshine thru the winter in this far-southern country.

10. The most fascinating lands on the American continent are now linked together by the golden band of an historic travelway—Florida, Mobile and her bay, the Mississippi Coast, New Orleans and Louisiana, South Texas, Old Mexico, southern New Mexico, Arizona and California. This is America's ~~eldest~~ ^{ancient} frontier. It is the last frontier for homeseekers, and the wealth of a great Nation is already pouring into it.
