Old Spanish Trail Association
Division National Highways Association
S. A. LeBlanc, Secretary
Mobile, Alabama.

Dear Sir:

We are sending to you under another cover two maps as follows:

1. The Association's edition of our new 150,000 mile map,
2. What we know as the "Hupmobile" edition thereof.

The alignment of the Old Spanish Trail is we hope properly shown on both these maps. If not it can be so shown by a special edition accentuating it in color similar to that shown on the "Hupmobile" edition. This can be done for you including such changes of matter within the border lines of the map as to advertise your particular alignment, provided you give us correct and complete copy of what you wish.

We can have this work done for you at approximately the following cost which is actual cost of printing and paper with no charge to you for the preparation, namely:

5,000 copies	-	19 cents each	
10,000 "	-	13 " "	"
25,000 "	-	9.2 " "	"

We can quote on smaller or large editions if desired. We can send you free (carriage charges collect) a limited number of either map we are now sending you on receipt of your advices. Please let us know they have reached you safely. We hope the work pleases you.

Yours very truly,

for

Charles H. Williams

President

P. S. We have 100,000 copies of the enclosed pamphlet "The Highway Problem". We can send them free for your distribution. How many thousand copies can you distribute?
