Dear Sir,-

This office has your enclosures with reference to the Trans-Continental Highway of the Old Spanish Trail, and the fact that it is considered by the War Department a military necessity.

Let me assure you the entire Rio Grande Valley deeply appreciates the good work you have done for them along the O.S.T., and wishes you every possible success, and if there is any way we can co-operate with you kindly let us know.

Yours very sincerely,

RIO GRANDE VALLEY CHAMBER OF COMMERCE,
