HIGHWAY 66 TO BE COMPLETED

SPRINGFIELD, Mo., Oct. 1

(AP)—Prediction that transcontinental highway 66, "the Main street of America," will be completed within 18 months was made Thursday by J. T. Woodruff, president of Highway association, upon his return from a quarterly meeting held at the Statler hotel in St. Louis, Tuesday and Wednesday.

"The most significant development at the meeting," Woodruff said, "was the declaration by highway engineers and officials that traffic has shown such an enormous increase over the route that the state highway departments are now convinced that it is more economical to pave the roads to maintain a hard surfaced

"It was pointed out that over the highway at present checks have been made showing an increase of 300 per cent last year."
