MEMORANDA TO W. M. AIKMAN FOR THE COMMITTEE ON AUDIT AND FINANCE
RESPECTING THE J.W. FRANCIS AFFAIRS

Mr. Francis has returned to San Antonio. He has been soliciting financial support and doing other things as a representative of the Old Spanish Trail between San Antonio and Lake Charles. I believe, however, his transactions are clear. He appears to be intelligent and clean. He has, however, some contract with pr. Johnston, and before leaving San Antonio did order some engravings which were charged to the Old Spanish Trail, and the bill for which he, personally and voluntarily, took today, with the expectation, as I understand of settling that account. He is remaining in San Antonio.
