

Lillian, Ala., June 9, 1917

Hon. Palmer Pillans, President,
Old Spanish Trail Assn.,
Mebilo, Ala.

Dear Sir:-

We duly received your favor of 1st inst., with list of names to whom you suggest we send invitations to our celebration of the opening of the Lillian Bridge.

We write Mr. LeBlanc the first one after the adoption of the resolution by our Chamber asking for his suggestions for our program and for list of names of those who should be invited. On the same date on which you wrote he sent us the names and addresses of the officers of the Old Spanish Trail Assn.

Not hearing from him we went ahead and made out our program as best we could.

Just now we are sorry to have to announce to you that Colonel Barclay is quite sick, under the doctor's care who says he will not be able for the opening celebration on June 21st. We are sending notices to our local papers and to all who are interested.

Just as soon as Colonel Barclay is able to be about again we will set a new date. Fortunately our Engraved Invitations had not been sent out nor the Douteone Program. We will simply have a penman put a new date on these.

Invitations will then be sent to all whom you have suggested.

Possibly the new date will suit your convenience.

Very truly yours,

Baldwin County Chamber of Commerce,

By

Secretary.

Cy to S. A. LeBlanc, Secy.
