

May 20, 1918.

Mr. Lucien F. Lyons Jr.,  
632 Howard Avenue,  
New Orleans, La.

My dear Lucien:

Your letter of the 16th received, and noted with great interest.

I sincerely hope Bill does go through this time, and the Louisiana Section of the Old Spanish Trail become a reality throughout.

Your resignation as Vice-President noted, but I am afraid you will have to serve until your successor is elected.

Things are very quiet with the Old Spanish Trail Ass'n, and will probably remain so until the war is over, because there are more important things for people to concentrate on, and it is certainly difficult to get road material under present conditions.

Yours truly,

SALCB/MS

SECRETARY.
