Dear sirs:-

On Jany. 21st. we gave your Mr. N. J. McKenna a check for \$25.00 to help towards advertising the Trail, and we understood from him that there would be some signs put up along the Trail in this vicinity. Having noticed that nothing has been done along this line, we are writing to ask what progress has been made along this line. The check was given by us but was for the account of NEW WALTON HOTEL which we own.

Yours very truly,

W. B. Harbeson Lbr. Co.,
