Dear Harold,

I am on my way back from Highway Commission meeting and stopped by the office as it is so very late. I find 3 letters from you & the very first one - was dated the 1st & you said you was sending me your personal - (this is "decidedly clear" of you) but I couldn't find the letter as I opened the other 2 & still no Cf. I am afraid you forgot to enclose it, and as this is the best news I have had lately - I will ask you to please, loan up that project gear etc & send it along - I assure you I appreciate - Look - Ed Dist Eng. - will be over there in a few days - I want you to be sure & see him, La - Hwy Com. is going to be business to him about the 2nd Nat Section. To be a "regular fellow" I like him fine - Just had to Southern Union & was proud & stand in of the debt.

Am sure you will get a good night's rest & pleasant journey home. My respect to Mrs. Ayres & Mrs. Locke. I will get my report tomorrow - and good luck!
