

I feel sure that you will not be disappointed in our little town in the end for it takes a little time for some to catch the vision but afterwards will put their shoulders to the wheel.

We sure are very much in earnest at Savington to have this O.S.T. to come through our little town and would be very much disappointed if it went elsewhere.

Wishing you the best of luck while at Washington and hoping for the best for the most people I remain

yours truly
