Dear Harval,
I mind you the am. "do not
Come home for Convention"
Here is the proposition, I was in
Houston Friday night & Sat. noon
(and suggested to the Chamber of Com & Arts
League that they "throw in" together & get
up a good bunch & go out and bring the
Convention to Houston next summer
held it on Thurs & Friday & go to Galveston Sat am
& remain over Sunday = They "fell all
over themselves" in accepting the
proposition Friday night a committee was
appointed Sat. am. & this com. came to
me and wanted to know if you was going
to be at the Convention and said if you
was going to have anything to do with it
or even be there they would not go on
under any other conditions. I assured them
I was in Washington & wouldn't even be
in the state.
