Dr. I. B. Swanton,
Bureau of Ethnology,
Washington, D.C.

Dear sir,-

We are seeking to define the place names along the Old Spanish Trail. Enclosed is our progress to date.

May we ask if there is any suggestion or correction or help you can give us?

The Old Spanish history and the place names are matters that interest travelers. We are trying to be as correct as possible.

Thanking you, we are,

Sincerely,

Herual Ayres
