Dear Mr. Ayers:

I wish to acknowledge receipt of your recent communication and have made mention of this recent letter to Mr. J. L. Mapes, although I have not had time to discuss the matter in detail and with others of the Old Spanish Trail Committee.

I shall take this matter up in the next few days and advise you of the outcome.

My sympathy has always been with you and will continue so, you may always count on my support.

Very truly yours,

W. L. Rammel
