MERIDIAN HIGHWAY

August 7th, 1923.

Mr. John C. Nicholson, Pres.,
Meridian Highway,
Newton, Kansas.

Dear Mr. Nicholson:

Appreciate yours of the 30th. By separate mail am
sending you a booklet. You may have seen it.

We know little of what he is doing on the Meridian
Highway. We only know that his brief period with this
organization involved it in waste, liabilities, embezzle-
ments, treacheries, etc. It is taking all of the strength
the organization has to carry it thru.

Very truly,

H. B. Ayres,
OST Managing Director.
