

Hotel Hutchings  
SAN ANTONIO, TEXAS

Dear Mr. Ayles:

Your letter to hand.

The business have all  
been mailed and were  
when your wire came in.  
While I know there were  
several errors in the Steel  
I feel you take it  
more seriously than it  
really is — I feel never  
made more mistakes than  
this we will get to hear  
and no great trouble —

There are many things  
taking place here  
and when I figured  
the costs of the Bulletin  
I figured the printed  
ones cheap —
