Dear Sir:-

I have been referred to you as being up on the good roads for auto traveling, and as I expect to travel from this city Nacogdoches Texas to Miami Fla. within a very short time would like to ask you to give me some kind of an idea as to what route to take for that trip.

I if possible would go a little north out of the way to overcome some of those extreme southern ferries betw New Orleans + Mobile Ala.

Thanking you in advance for the desired information you may give me I remain Yours Truly,
