September 25, 1917.

Mr. W. P. Reynolds, Pres.,
The Young County Good Roads Assn.,
Olney, Texas.

Dear Sir:

Your letter of September 15th enclosing log from Fort Worth to Farwell and also map of Texas showing the location of this alignment is received. All the information is appreciated and the matter has been referred to our Map Shop for their attention and consideration.

You speak of this as the Fort Worth and North Western Highway. Is this part of the South West Trail or is it a distinct alignment? Your advice will be appreciated, for if it is a separate alignment we should be glad to suggest affiliation with the National Highways Association.

We regret that we cannot furnish you with a log of any highway crossing New Mexico and on to San Francisco, but we are sending you under another cover, some of our maps, being the Southern National Highway, the National Old Trails Road, and the Jefferson Davis Memorial Highway. Of course we have no authority to speak for these Associations in regard to your using part of their routes with your line. However their addresses appear at the bottom of this letter as copy of this goes to them should you care to communicate with them.

Our new maps are in a state of preparation but we cannot advise you whether your route can be shown or not. It will, however, have due consideration at the hands of the Map Shop.

Thanking you for your interest and cooperation, and appreciating your spirit of helpfulness, we are

Yours very truly,

for Charles H. Davis
President.
