June 25, 1917.

Old Spanish Trail Association,

Mobile Ala.

The State Highway Commission recently appointed under Acts of Special Session of Texas Legislature met at Mineral Wells last week and designated 25 State Highways for Texas to be built in connection with the national Highway Act approved July 1916. Two of these Highways, No 1 from Dallas to El Paso, and No 15 Dallas to Louisiana by way of Canton and Tyler run over the "Old Spanish Trail" and will be a great factor in putting the Old Spanish Trail in first class condition.

Respectfully,

C. L. Stanford
