Winston.....	630	15,596	24.8	14,378	12,855	9,854	6,552	8.5	11.8

<sup>1</sup> State total for 1890 includes Indian population (58) especially enumerated, not distributed by counties.<sup>2</sup> Part of Blount annexed to Cullman in 1901.<sup>3</sup> Part of Cleburne annexed to Calhoun and part of Calhoun annexed to Cleburne in 1907.<sup>4</sup> Part of Talladega annexed to Clay in 1886.<sup>5</sup> Part of Colbert annexed to Franklin between 1890 and 1900; part of Lawrence annexed to Colbert between 1880 and 1900.<sup>6</sup> Houston organized from parts of Dale, Geneva, and Henry in 1903.<sup>7</sup> Part of Elmore annexed to Montgomery in 1923.<sup>8</sup> Part of Jefferson annexed to Walker between 1850 and 1900.

Minor civil divisions.—The primary divisions of the counties of Alabama are the election precincts. These precincts ordinarily include the secondary divisions, which are known as cities and towns. Table 4 shows the population of each county by precincts, cities, and towns for the last three censuses. The population of the cities and towns is shown in *italics* under the population of the precincts in which they are respectively situated. Several of the cities and towns are coextensive with the precincts in which they are located, and some of the larger cities comprise two or more precincts or parts of precincts. Where an incorporated place occupies parts of two precincts, the total population of the place is given in connection with the presentation for the first precinct. The population of the cities of Birmingham and Montgomery, each of which includes several precincts or parts of precincts, is presented in Roman type, followed by the district population in *italic* type. The population of Mobile is also presented in Roman type, as this city is independent of precinct organization.

Changes in the boundaries of precincts and incorporated places between 1920 and 1930 are indicated by footnotes on Table 4; for changes between 1910 and 1920 reference may be made to the Reports of the Fourteenth Census (1920), Volume I, Table 53.

TABLE 4.—POPULATION OF COUNTIES BY MINOR CIVIL DIVISIONS: 1930, 1920, AND 1910

[The "precincts" shown in the table are election precincts. For changes in boundaries, etc., between 1920 and 1930, see footnotes; for those between 1910 and 1920, see Reports of the Fourteenth Census (1920), Vol. I, Table 53.]
