 have beon the fault of the office.

Reddrior was sont out August 15th (after my return and with apparent effort to avold ny aupervision). He was bonded. An incorreot con: trpot was writton and signod, This much concession at lerst to regulatians. Redariek's work is mrons and will cost probably fiso to correct. He was paid $331 / 3$ commisaion and given ellowence for auto.

There is no systam, oxder, regulation or standard followed in this work although systems, stendaras and protoctive regulations wore in force mhon I left. Additionaliy these mon are actualily an interference uith one anotisor. iloney melte amay in exeossive commissions and traveling expenses, and the OST has not at this timo the maney teate in hand to publish tiae literstiure needed and pronised, or to complate the markine properly or other service. These collections began isst March. The exploitation of the office began shortiy after I lert. I was kept in ignoranco of the money they were ob tainine.

Trancis is a min with sone sort of a contract with Dr, Johnston yhere it nppears important ost privileges heve boen civen amay on some bort of ael agreoment. Erancis has beon oastrarid sooking monoy in the nase of the OST; this vas stopped. Thero is no record in the office of the eqreemont. No detalls have beon obtcinod exeopt that peopls and orcanizations soilcited for monoys have sent coples of contracts and other information more money mas agreed upon to be paid

Bore detalled moparts on these subjocte will Foliow.
