Mr. S. A. Le Blanc, Secy.,
Old Spanish Trail Assn.,
Mobile, Ala.

Dear Sir:-

Something over a week ago we wrote you enclosing a letter from Field Engineer Harry Locke authorizing us to use the cut of the Old Spanish Trail in connection with our bridge opening celebration. We asked you to send the cut at once to The Baldwin Times, Bay Minette, Ala.

On the 18th the Time writes us that the cut has not been received and that they are holding our Celebration matters for this cut. We are needing to get out this matter, as we wrote you.

We have not heard from you in reply to our letter.

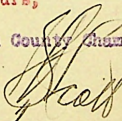

Please do not forget to return Mr. Locke's letter to us.

May we hope that you have already, or can immediately send this cut forward to The Times?

Very truly yours,

Baldwin County Chamber of Commerce,

By

Secretary.
