Mr. Harral Ayres
San Antonio, Texas

Dear Mr. Ayres:

Congratulations upon the recognition by the King of Spain of your work for the Old Spanish Trail.

Can you have somebody send me a map of the Trail, with exact information as to the improvement--grading, bridges, paving etc--of the different sections? I want to use this material as the basis of an article.

Cordially yours,

P.S.- And a photograph of yourself, of course!
