Sat. 18-

Dear Stan, I am just read, I am taking things as they come. I am taking things as easy as I can. My plans are all "in air" on Sep 10 day. "flying" - have arranged with Lambert to go to the Valley mch 28. will try the Houston. up the falling mess - provided Percy Tyrell - don't throw us out, of course if he take our office I suppose he will take the furniture picture etc. So you see where we will be. If you can get some rent money here by the 1st we can "get by" otherwise it looks to me like we was at the "end of the line" Dr. J was been doing some good work in standing off the beer but, he can't put the Hoff with promise much longer, I am giving you this information because you should know how things are going. Please advise me fully the time is getting short
