

Mrs. Henry Drought
San Antonio Texas

Dear Mrs. Drought

Your kind invitation
to attend the reception to Mr. Harrel Ayres
received. It is a great gratification
to know that the years of effort given
by Mr. Ayres to the project now
consummated is recognized and
appreciated by his fellow townsmen
and workers as well as by the Ruler
of the nation whose representatives
first trod the Old Spanish Trail

A matter of some two thousand
miles prevents my being present and
joining my congratulations with Mr. Ayres
many friends on this interesting
occasion

Very truly
Yours Clayton L. Traver
