resident Palmer Pillans,  
 Old Spanish Trail Association,  
 Mobile, Ala.

My dear Mr. Pillans:

I received your wire, and thank you for it. But I tried to assure you in my letter that I did not intend to endorse Mr. Williams or take any risk personally, in such important matters. I am sorry you felt disturbed about the matter: there was no way I could get definite information, except by wiring to several persons, and I did not feel that it was a necessary expense, under the circumstances.

I will do all I can to keep up publicity for the Trail and the Association, but will be careful to do only what would be likely to meet with your approval. If there is any chance to go to Chicago, will do so, but can not say at this time.

With kindest regards and best wishes, I am,

Very truly,

*F. R. S. Phillips*
