Mr. Frank Parker Stockbridge,
New York.

Dear Mr. Stockbridge,

I believe I promised to send you copy of the Spanish address at the Con-
secration ceremony. It probably is of no value now but here it is. It
seems it takes a bit of time to get these translated and finally approved.
They are sort of State papers.

This Spanish address (Don Ubarri's) in the English version is still not yet
approved by Don Ubarri. No vital change is anticipated however so is enclosed
as is.

As stated, these are probably of no value to you now. However there is a
fine photo showing the two sides of the Consecration cross. This photo with
these addresses may have some value.

Sincerely,
