SUNSHINE CAFE. This lady is a neive of Mr. Joe Trainer, a widow, and Mr. Trainer is setting her up in business, her husband having recently died from after effects of gas during the war. I told Mr. Trainer we would not charge her, but he suggested she pay \$5 for her Membership anyway. Mr. Trainer went with me all morning to make these collections.

SONORA SERVICE STA. This is operated by Mr. Trainer's Father-in-law. His receipt for membership reads "Bal due \$15.00 for Listing" which he said he would send in. He is O K I'm sure.

I may make one or two other collections on my way back.

Yours very truly,

John H. ...
Field Secty.
